

Title I Family Engagement Budget Survey

August 14, 2019

Dear Parents,

We value your input! As a parent of a child who receives Title 1 services in our school, you have the right to give input into how the school district budgets and spends its Title I family engagement money. Last spring our school held various meeting to revise our school's family engagement policy for the 2019-2020 school year. Additionally, a parent survey was sent home asking for parent input on the family engagement policy and budget. Using parent/family input given at meetings and surveys, a proposed family engagement budget has been created for the 2019-2020 school year.

Below is a chart showing how we intend to spend the Title 1 Family Engagement funds this school year:

Do you agree with how we have budgeted family engagement funds for this school year?

- Yes
 No If no, why not? _____

Do you have any other suggestions for the use of these funds? Your suggestions will be taken into consideration for the upcoming school year.

Please return this form to your child's teacher or drop it by the school office by August 19, 2019. If you have any further questions please feel free to call or contact **Velencia Brooks, Family and Community Relations Specialist @ 912-395-4044 (v.brooks@scasav.org)**.

Thank you for taking the time to complete this very important survey. Your feedback is greatly valued and sincerely appreciated
