SAVANNAH CLASSICAL ACADEMY
Summer Reading List
Rising Kindergarten

Please find below the summer reading requirements for your student. **Every student is expected to complete ALL the reading, memorization for recitation, and accompanying work packets by the first day of school (August 5th).**

We encourage you to read consistently over the summer with your child instead of trying to cram all of the reading in just before August 5. There is a reading log included in each grade-level packet to encourage you and your student to read regularly over this abbreviated 11-week holiday.

You can find more information, as well as links to where you can purchase the books online, at www.savannahclassicalacademy.org/summer-reading.html.
