- III. MISSION/VISION

The mission of The Savannah Classical Academy is “to provide every child with a classical and academically rigorous education while instilling a commitment to civic virtue and moral character.”

Our vision is to create a learning environment:

- that creates culturally literate and articulate students who will become active, responsible members of the community and will make a positive contribution to society;
- where parents are empowered to be passionate about the school and its vision;
- where faculty and staff are passionate about the school’s mission and vision and dedicated to the success of every student;
- that contributes to the revitalization of the surrounding community;
- that uses a curriculum that is classical and academically rigorous;
- where teachers are empowered and held accountable and students are engaged;
- that promotes an interdependent culture among all grade levels; and
- where high expectations have been established and communicated to students and parents.
